EOL (Product End of Life) Notice

POCKIT Micro Nucleic Acid Analyzer (Cat. # apcm.1)

Dear Valued Distributors/Customers:

We appreciated your support for GeneReach Biotechnology Corp. We would like to notify you that the following product is being discontinued due to lack of customer demand: **POCKIT Micro Nucleic Acid Analyzer (4 throughput) (Cat. no. apcm.1)**

The Last Day to Order: discontinue this indicator immediately.

Replacement Product Series: POCKIT Micro Plus Nucleic Acid Analyzer (4 throughput) (Cat. no. apcm.2) and POCKIT Micro Duo Nucleic Acid Analyzer (4 throughput) (Cat. no. apcm.3)

- Product spare part availability is not guaranteed, some components may be made obsolete by 3rd party vendors without advanced notice provided to GeneReach. In the event a product requires replacement and the product is no longer available, GeneReach will provide an option for a product of equal or greater value.

We sincerely apologize for any inconvenience and trouble caused. We will continue to do our best to provide you with better products and services. If you have any questions or require further assistance, please feel free to contact GeneReach or our distributor partners for support.
